New Matters arising:

Facebook

Some concerns had been raised about staff use of facebook, related to a school trip.

Mr Smith took this concern very seriously and said he would follow this up with all staff.

Parent Race

Could the parent race at the sports day be a novelty race instead of a flat race.

His will be planned for the next sports day.

Year 5 Transition Meeting

A parent had commented that not many parents had attended the Year 5 transition meeting with Mrs Haig and Mr Bassett.

Mr Smith agreed the numbers were disappointing but wondered whether parents forgot after the sports afternoon. The school has information packs to send to parents who did not attend.

Mr Smith thanked the Parent Council representatives for their support over the year. The representatives agreed to continue in their role and invite new parents to join in September where vacancies were found. Mr Smith thanked Mrs Coles as her daughter is in her last year at primary school.

Meeting closed at 9.45am. Next meeting 21st September 2012
